The Enigma of Isaac Babel
Biography, History, Context

Edited by GREGORY FREIDIN

"*The Enigma of Isaac Babel* is an excellent book on a major writer. The reader is treated here to a great deal of biographical material on Babel not generally known before and it is integrated into sophisticated analytical frames. Many of the monographic studies on Babel came out some time ago and are now dated, leaving the door open for this new work, which draws on information made available since *perestroika*."

Purifying the Nation

Population Exchange and Ethnic Cleansing in Nazi-Allied Romania

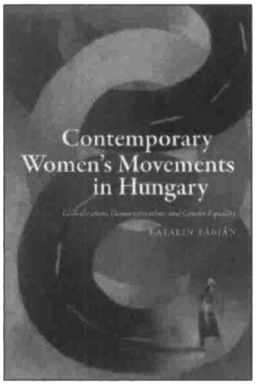

Vladimir Solonari

"This is a major study that will influence how all of us think about the Holocaust in Eastern Europe."
—Norman Naimark, Stanford University

"*Purifying the Nation* is an exceptionally significant contribution to one of the least explored and most tragic chapters of the 20th century."
—Vladimir Tismaneanu, University of Maryland

"This book is genuinely monumental . . . the most historically sensitive and conceptually savvy account of the Holocaust in Romania yet to be produced."—Charles King, Georgetown University

$65.00 hardcover

Contemporary Women's Movements in Hungary

Globalization, Democracy, and Gender Equality

Katalin Fábián

"The core of this well-conceived book presents an important argument about not only how women's concerns were marginalized after 1989, but also about how the rhetoric on globalization, democratization, freedom, and economic growth, as well as women's desire to act, implicated their activism in Hungary."—Joanna Regulska, Rutgers University

"I do not think there is any other book which combines all the different aspects of gender and postcommunism in such a comprehensive way."
—Nanette Funk, Brooklyn College

MODERN WAR STUDIES

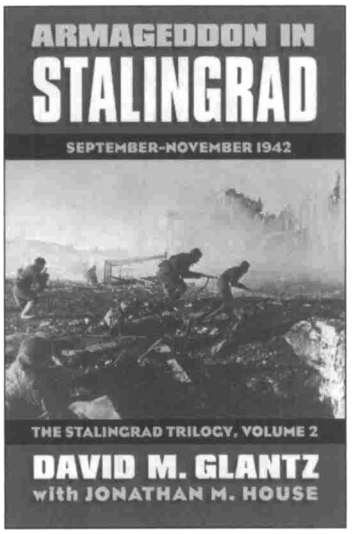

Armageddon in Stalingrad

September–November 1942

The Stalingrad Trilogy, Volume 2

David M. Glantz

with Jonathan M. House

"Glantz and House are writing the definitive history of the Stalingrad campaign. Their trilogy, backed by meticulous scholarship and refreshingly fair minded, significantly alters long-accepted views of several important aspects of the campaign. . . . A monumental work that is unlikely to be surpassed as an account of the most important single campaign of the Second World War."—**Evan Mawdsley**, author of *Thunder in the East: The Nazi-Soviet War, 1941–1945*

"A magisterial study that draws on a wealth of previously inaccessible Red Army records and will be indispensable reading for all serious students of the battle."
—**Michael K. Jones**, author of *Stalingrad: How the Red Army Triumphed*

864 pages, 123 photographs, 49 tables, 97 maps, Cloth $39.95

Zhivago's Children

The Last Russian Intelligentsia

VLADISLAV ZUBOK

Among the least-chronicled aspects of post–World War II European intellectual and cultural history is the story of the Russian intelligentsia after Stalin. Young Soviet veterans had returned from the heroic struggle to defeat Hitler only to confront the repression of Stalinist society. The world of the intelligentsia exerted an attraction for them, as it did for many recent university graduates. In pursuing the dream of a civil, democratic socialist society, such idealists contributed to the political disintegration of the communist regime.

Voluntary Associations in Tsarist Russia

Science, Patriotism, and Civil Society

JOSEPH BRADLEY

On the eve of World War I, Russia, not known as a nation of joiners, had thousands of voluntary associations. Joseph Bradley examines the crucial role of voluntary associations in the development of civil society in Russia from the late eighteenth to the early twentieth century. However, an increasing public assertiveness challenged autocratic authority, and associations became a focal point of a contradictory political culture: they fostered a state-society partnership but at the same time were a critical element in the effort to emancipate society from autocracy and arbitrary officialdom.

INSTRUCTIONS FOR SUBMITTING MANUSCRIPTS

Manuscripts for consideration should be submitted by post or courier in three double-spaced copies. Notes and block quotations should also be double-spaced; notes should be placed at the end of the manuscript and not at the bottom of the page. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. Submitted manuscripts may use either the humanities style (endnotes) or the author-date-bibliography system, though accepted articles will need to be revised to conform to *Slavic Review*'s house style. Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

In general, articles should not exceed 8,000 words, excluding notes. Please indicate the word count on the cover page of the manuscript. Accepted manuscripts will be copyedited electronically, and authors will be asked to submit an electronic version. Submissions will not be returned.

The policy of *Slavic Review* is not to consider materials that have been published in any form or language or that are being considered for publication elsewhere. *Slavic Review* is the journal of the American Association for the Advancement of Slavic Studies, whose members support the journal through their dues. *Slavic Review* expects the authors of articles published in the journal to belong to the association.
