Open access publication and funding *Oryx* (ISSN 0030-6053) is published six times per year (one volume per annum) in January, March, May, July, September and November. As a gold open access journal, *Oryx* is freely available to read on Cambridge Core at cambridge.org/oryx, and receives no subscription revenue. The costs of publication are covered via multiple funding routes, including institutional open access agreements, the Cambridge Open Equity Initiative, and in some cases an article processing charge, typically paid by the author's funding body or institution. For authors, lack of funding is never a barrier to publishing in *Oryx*. For full details visit oryxthejournal.org/authors/guidelines-for-authors/#open-access. The Editorial Office is supported by The Rufford Foundation.

Fauna & Flora *Oryx* member subscription Print copies of the journal are only available to Fauna & Flora members. *Oryx* membership of Fauna & Flora starts from GBP 45 per year for concessions and GBP 100 for other members (or equivalent price in USD/EUR). For more information about Fauna & Flora *Oryx* membership visit fauna-flora.org/appeals/oryx.

Submission of manuscripts Guidelines for authors are available online at oryxthejournal.org/authors/guidelines-for-authors. Manuscripts should be submitted at mc.manuscriptcentral.com/oryx.

Back volumes Print copies of the current volume and two previous volumes can be obtained from Cambridge University Press at Cambridge University Press, Journals Fulfilment Department, University Printing House, Shaftesbury Road, Cambridge, CB2 8BS, UK; or in the USA, Canada and Mexico: Journals Fulfilment Department, Cambridge University Press, 1 Liberty Plaza, Floor 20, New York, NY, 10006, USA. Requests for previous volumes should be directed to the editorial office at oryx@fauna-flora.org.

Paper and printing *Oryx* is printed on FSC™-certified paper and cover board. FSC is an independent, nongovernmental, not-for-profit organization established to promote the responsible management of the world's forests. Please see fsc.org for more information.
