I maintain the library stock, distribute the journals and will do case and article searches. I do alert them to new legislation and interesting cases but usually find that they are already aware of these and have often been asked to make public statements about their impact on employment law. I have worked with several law firms and I have tried to include in this article the material that I have found to be used consistently in their employment departments.

Biography

Julie Keys is the Information Manager at Fox Williams and a member of the LIM Editorial Board.

Legal Information Management, 10 (2010), pp. 251–256
