SUPPLEMENT, JANUARY 1963

THE ROYAL MEDICO-PSYCHOLOGICAL ASSOCIATION

SOUTH-EASTERN DIVISION

THE SPRING DIVISIONAL MEETING was held at the Lady Chichester Hospital, Hove, Sussex, on Tuesday, 17 April, 1962, by kind permission of the Hospital Management Committee and the Medical Staff.

Members of the Association were received by members of the Medical Staff of the Hospital. They were conducted round the wards and the Occupational Therapy unit, and visits were made to other parts of the hospital. This well-known hospital has a bed complement of over 70 beds and it was pointed out that patients are still admitted for treatment from a wide area of the country. About 250 patients are treated in the year.

There was a large gathering at lunch, including some 60 members of the Association. The Chairman of the Hospital Management Committee, Mr. Arnold, extended a cordial welcome to the visitors. Dr. J. G. Hamilton, acting for the Divisional Chairman, Dr. O. W. S. Fitzgerald, who was unavoidably absent, responded on behalf of the Division. Dr. Hamilton reminded the members that there had been two previous meetings of the Association at the Lady Chichester, one in 1939, when the late Dr. Helen Boyle was President of the R.M.P.A., the second in 1955 in connection with the hospital's Jubilee celebrations. He paid a tribute to the work of Dr. Boyle and her colleagues.

NORTHERN AND MIDLAND DIVISION

THE SPRING MEETING OF THE NORTHERN AND MIDLAND DIVISION was held at Scalebor Park, Ilkley, on Thursday, 12 April, 1962, by kind invitation of the Hospital Management Committee and Dr. J. Valentine, Physician Superintendent.

This commenced at 10.30 a.m. with a tour of the Hospital and a visit to the new Occupational Therapy Department recently completed. This was most impressive and gave every facility for patients to be usefully occupied both in the many workrooms that were available and also in the magnificent new gymnasium which had also been built as part of the Occupational Therapy Centre.

Sixty-seven members were present.

The Divisional Committee of Management reported that Dr. MacMillan had kindly offered hospitality to the Division at Mapperley for the Autumn Meeting on Thursday, 18 October.

The Secretary reported on the further progress made by the Special Committee on the future of organized psychiatry. The Committee had not felt able at this stage to come to any conclusion about the advisability of a higher qualification, whether run by the R.M.P.A. or the Royal College of Physicians. They felt this was an issue which should be fully discussed together with the issue of the possible alteration of the structure of the R.M.P.A. by psychiatrists all over the country.

The Secretary reported on matters which had come before the Council at the meeting in November, 1961.

No other nominations having been received the following Officers, in accordance with By-Law 34, who had been nominated by the Divisional Committee of Management were unanimously elected:

Chairman:	Dr. E. U. H. Pentreath
Hon. Secretary:	Dr. W. V. Wadsworth
Asst. Hon. Secretary:	Dr. C. Rose
Junior Representative on Council:	Dr. D. B. Fowler
