EUROCALL Resources

ReCALL is the journal of EUROCALL (The European Association for Computer-Assisted Language Learning). The following list provides a selection of the resources that are available from EUROCALL's website at http://www.eurocall-languages.org/

Conferences
Information about forthcoming and past conferences, including access to conference Proceedings and online materials from the Virtual Strand.

The EUROCALL Review
A peer-reviewed online publication which includes reports on relevant projects as well as other topical information.

National websites
Access to numerous national/regional EUROCALL websites, giving information about local activities.

Events calendar
A regularly-updated listing of conferences, seminars and workshops related to CALL and/or educational technology.

CALL Bibliography
A large, continuously updated bibliography of books, journals and discussion lists for computer-assisted language learning researchers and practitioners.

Postgraduate CALL courses
A list of some of the postgraduate courses related to CALL and educational technology available in the UK and elsewhere.

****

Online access to ReCALL
Individual and corporate members of EUROCALL can use their membership I/D to access current and back numbers of ReCALL via Cambridge Journals Online. To join EUROCALL, go to http://www.eurocall-languages.org/join/index.html

The EUROCALL conference 2010 will be held at the University of Bordeaux, France, 8–11 September 2010.
