ANNOUNCEMENT

THE CLAY MINERALS SOCIETY

18th Annual Meeting — 30th Annual Clay Minerals Conference

University of Illinois — Urbana, Illinois

October 4 to 8, 1981

SCIENTIFIC PROGRAM:	Symposium on the Transformation of Smectite to Illite General Sessions Poster Sessions
FIELD TRIP:	Sedimentary Structures in Shale (including a stop at the Fithian cyclothem locality) and Soil Formation on Glacial Till (October 8)
COSPONSORS:	Department of Geology and Illinois Geological Survey
FURTHER INFORMATION:	Dr. John Hower Conference Chairman Department of Geology University of Illinois Urbana, Illinois 61801
	Dr. D. D. Eberl Program Chairman Department of Geology University of Illinois Urbana, Illinois 61801
