## Russian Orthodoxy Resurgent

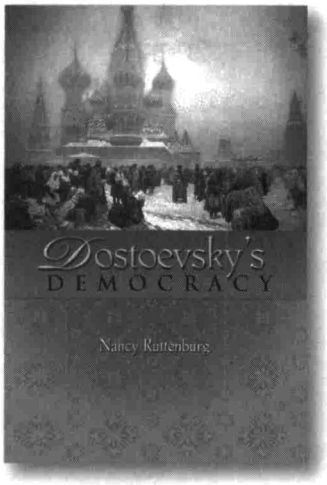

Faith and Power in the New Russia

*John Garrard & Carol Garrard*

*Russian Orthodoxy Resurgent* is the first book to fully explore the expansive and ill-understood role that Russia's ancient Christian faith has played in the fall of Soviet Communism and in the rise of Russian nationalism today.

"In this rewarding book, the Garrards humanize and deliver with great learning the epic story of the revival of the Russian Orthodox Church. They illuminate a lost experience by studying the church through the prism of its spectacular civic rebirth. The Garrards give a meticulously detailed account of the rise of Patriarch Aleksy and his successful use of the faith to implant the church and its teachings once again deep into the hearts of Russian people."

## Dostoevsky's Democracy

*Nancy Ruttenburg*

*Dostoevsky's Democracy* offers a major reinterpretation of the life and work of the great Russian writer by closely reexamining the crucial transitional period between the early works of the 1840s and the important novels of the 1860s.

"This elegant and deeply argued book offers a major revision of the standard narrative of Dostoevsky's postexile emergence as a convert to Orthodoxy and conservative nationalism. Nancy Ruttenburg presents a provocative and persuasive reading of Dostoevsky's first novel, *Notes from the House of the Dead*, situating it as the wellspring of his particular form of utopian Russian populism."

RECENT AND RECOMMENDED TITLES FROM HAYMARKET BOOKS IN RUSSIA

Lars T. Lih

## LENIN REDISCOVERED

*What Is to be Done?* In Context $50

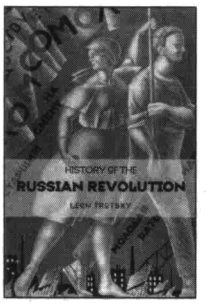

Countless critics have used Lenin's 1902 polemic *What Is to be Done?* to cast him in the role of an elitist conspirator. Using a wide range of previously unavailable contextual sources, Lih fundamentally overturns the conventional interpretations of history's most misunderstood revolutionary text, included here in an authoritative new translation.

"Clearly written, well-reasoned, and effectively documented, it is a work that no scholar seriously examining the life and thought of Lenin will be able to ignore."

—Paul Le Blanc, author, *Marx, Lenin, and the Revolutionary Experience*

Leon Trotsky

## HISTORY OF THE RUSSIAN REVOLUTION $32

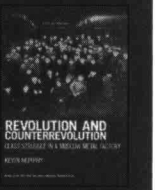

"As an account of a revolution, given by one of its chief actors, [The History] stands unique in world literature."

—Isaac Deutscher

Widely regarded as among the most powerful works of history ever written, this book offers an unparalleled account of the upheavals of 1917. This portable, single-volume edition of Trotsky's vital and inspiring record of the Russian Revolution comes fully updated for modern readers and includes a thorough new index.

Kevin Murphy

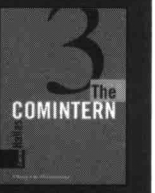

## REVOLUTION AND COUNTERREVOLUTION: CLASS STRUGGLE IN A MOSCOW METAL FACTORY $20

Duncan Hallas

## THE COMINTERN $15

Hallas' masterful study details both the achievements of the Third International as the center of the world revolutionary movement, and its disintegration under a rising Stalinist bureaucracy.
