INDEX TO VOL. LXIX.

PART I.—GENERAL INDEX.

Alcoholic psychosis before and after prohibition, 248
Antisyphilitic therapy, effects of, as indicated by histological study of cerebral cortex in cases of general paralysis, 256
Anxiety psychoses, surface tension of the serum in, 497
,, war, of the present day, 170
Aphasia, paradoxical, symptom of encephalitis, 249
Appointments, 149, 410, 594
Arrhythmia, respiratory, and mental troubles, probable sequelæ of epidemic encephalitis, 245
Asthenia, chronic, and mania, 248
,, periodic, true melancholia and, 520
Asylums Officers' Superannuation Act, amendment to, suggested by Scottish Branch, 266
Asylums, Scottish, laboratory of, abstract from 26th Report of, 584
Auditors, appointment of, 529
,, report of, 541
Auto-infection or auto-intoxication, *rôle* of, in mental disorders, 52
Auto-suggestion, address on (M. Emile Coué), 137

Basal ganglia, disorders of, the hæmoclastic crisis in, 511
Beers, Mr. Clifford W., and the French League of Mental Hygiene, 403
Bethlem Royal Hospital, garden party at, 559
,, ,, ,, lectures at, 141, 402
Biologic reactions in syphilis of central nervous system, significance of, with notes on treatment, especially intraspinal, 119
Blood, nitrogen residue of, in cases of mental disorder, 387
,, serum for cobra venom, activating effect in mental deficiency and other mental affections, 162
,, sugar, fasting, in certain mental states, observations on, 330
Board of Control, committee on dietaries in mental hospitals (England and Wales), 142
,, ,, seventh and eighth annual reports, 1920, 1921, 99, 360
Borax and bromide in treatment of epilepsy, 205
Bradykinesis, post-encephalitic, physio-pathological researches on, 521
Bromide and borax in treatment of epilepsy, 205

Central nervous system, chemical investigation under normal and pathological conditions, 129
,, ,, ,, endocrine and sympathetic systems in organismal toxæmia, inter-reaction of, with special reference to emotional disturbance, 45
,, ,, ,, in two cases of general paralysis, chemical examination of, 129
,, ,, ,, of rabbits, lesions caused by histamine in, 523
,, ,, ,, syphilis of, significance of biologic reactions in, with notes on treatment, especially intraspinal, 119

https://doi.org/10.1192/S0368315X00183008 Published online by Cambridge University Press

Chancre of lips, general paralysis following, case of, 123
Chemical examination of the central nervous system in two cases of general paralysis, 129
" " " " " under normal and pathological conditions, 129
Children, lethargic encephalitis in, mental troubles associated with, 245
" of school age, habit clinics for, 244
Chinese, neuro-syphilis among, 383
Clapham, Dr. W. C. S. (obituary), 592
Clinics, out-patient, critical survey of, 471
Cobra venom, blood-serum for, activating effect in mental deficiency and other mental affections, 162
Colitis, normal colon bacilli and, 200
Colles, Dr. J. M., *K.C., J.P.* (obituary), 144
Collosol bromine, use of, in treatment of insane epileptics, 348
Colon bacilli, normal, colitis and, 200
Committee on Criminal Responsibility, report of, 209
Committees, appointment of, 530
Convulsions, experimental, 513
" experimentally produced in animals compared with convulsive states in man, 513
Cornu ammonis, sclerosis of, 510
Correspondence, 142
Coué, Emile: the man and his work, 113
Cough, paroxysmal, symptom of encephalitis, 249
Council and officers, election of, 529
" report of the, 537
Criminal Responsibility, report of Committee on, 209
" the psychology of the, 110

Davis, A. N. (obituary), 145
Deaf-mute, general paralysis in a, 122
Dementia præcox, endocrine-autonomic disorders of, 182
" " in male patients, sex development and behaviour in, 388
" " social significance of, 243
" " significance of urea in, 322
" Depersonalisation," 517
Diagnosis, early, use of speech inscriptions for, 77
Dietary, patients', in London County Mental Hospitals, revision of, 586
" " in New York State Hospitals, 591
Dinner, Annual, 560
Disease entities and their grouping, 516

Editors, report of the, 538
Educational Committee, report of, 541
" notes, 140, 270, 402, 583
Egypt, Ministry of Interior, Lunacy Division Report, 1921, 257
Emotion, expression of, in cases of mental disorder, as shown by psycho-galvanic reflex, 376
Emotional disturbance, inter-reaction of endocrine, sympathetic and central nervous systems in organismal toxæmia, with special reference to, 45
Encephalitis, lethargic (epidemic), complications and mental sequelæ of, 520
" " " complicated by a psychosis, clinical notes on pathology in a case of, 389
" " " in children, alterations in character and mental sequelæ following, 382
" " " " mental troubles associated with, 245
" " " its psychotic manifestations, with report on 23 cases, 382
" " " mental disturbance and, 249
" " " psychic and respiratory troubles following, 245
" " " psychic symptoms of, characteristic features, 383

https://doi.org/10.1192/S0368315X00183008 Published online by Cambridge University Press

Encephalitis, lethargic (epidemic), respiratory arrhythmia and mental troubles probable sequelæ of, 245
,, ,, ,, sequelæ of, 245
,, symptoms of (polypnia, paroxysmal or continuous, paroxysmal cough, paradoxical aphasia), 249
Endocrine-autonomic disorders of dementia præcox, 182
Endocrine, sympathetic and central nervous systems in organismal toxæmia, inter-reaction of, with special reference to emotional disturbance, 45
England, public mental hospitals in, administration of, 90
Epidemic encephalitis. *See under* Encephalitis
Epilepsy and gunshot wounds of the head, 511
,, and the convulsive state, 512
,, biochemical and biological researches on the pathogenesis of, 523
,, essential, the psychobiologic concept of, 513
,, psychology of, 482
,, some problems in, 512
,, the ecology of, 512
,, treatment of, with borax and bromide, 205
Epileptics, insane, use of collosol bromine in treatment of, 348
Epitome of current literature, 114, 241, 376, 510
Evolution, symbiosis and, 339
Exophthalmic goitre preceding pregnancy, case of insanity associated with, 83

Floor treatment, infection in mental hospitals with special reference to, 24
French League of Mental Hygiene, Mr. Clifford W. Beers and, 403
Funds, motions involving expenditure of, 543

Garden party at Bethlem Royal Hospital, 559
General paralysis, cerebral cortex in cases of, effects of antisyphilitic therapy as indicated by histological study of, 256
,, ,, discovery of, 1
,, ,, following chancre of lips, case of, 123
,, ,, in a deaf-mute, 122
,, ,, infantile, case of, 123
,, ,, problem of, 121
,, ,, remissions in, 125
,, ,, spirochætes in, recent studies on, 255
,, ,, treatment by inoculation of malaria, 77, 126
,, ,, two cases of, chemical examination of central nervous system in, 129
Gowanda State Hospital, development of occupational therapy in, 127
Gunshot wounds of head, epilepsy and, 511

Habit clinics for children of school age, 244
Hæmoclastic crisis in disorders of basal ganglia, 511
Hallucinations, Lilliputian, case of, with a subsequent single macropsic hallucination, 86
,, mechanism of, an experimental study of, 115
Handbook, review of, 366
Head, gunshot wounds of, epilepsy and, 511
Histamine, lesions caused by, in central nervous system of rabbits, 523
Home and institutional treatment of the insane, lunacy law and, 155
Homo-sexuality, neurotic mechanisms in, 525
Horton Mental Hospital, instruction in mental diseases to lay workers at, 141
Hygiene, mental, in industry, 241

Individuality, study of, 244
Industry, mental hygiene in, 241
Infantile general paralysis, case of, 123
Infection in mental hospitals, with special reference to floor treatment, 24
Insane epileptics, use of collosol bromine in treatment of, 348
,, general paralysis of. *See under* General paralysis
Insanity and mental deficiency, prophylaxis of, 358

https://doi.org/10.1192/S0368315X00183008 Published online by Cambridge University Press

Insanity, case of, associated with pregnancy and previous exophthalmic goitre, 83
,, prevention and treatment of, appeal for funds for, 260
Institutional and home treatment of the insane, lunacy law and, 155
International Congress of Mental Hygiene, 273
Intracranial telangiectasis, report of two cases, 378
Intraspinal treatment in neuro-syphilis, 119, 120
Irish Division, meetings, 268, 397, 580

Jealousy, neurotic mechanisms in, 525
Jones, Dr. E. W. (obituary), 259
Juvenile crime, causal factors of, 256
,, delinquency, report of inquiry into, 365

Korsakoff type of memory defect observed in multiple neuritis following toxæmia of pregnancy, 247

Laughter, a new theory of, 114
Lead poisoning, chronic, mental disorder arising from, case of, 208
Library Committee, report of the, 542
Lips, chancre of, general paralysis following, case of, 123
London County Council and Sir Frederick Mott, *K.B.E.*, F.R.S., 220
,, ,, Mental Hospitals, revision of patients' dietary, 586
Lunacy law and institutional and home treatment of the insane, 155

Malaria, inoculation with, treatment of paresis by, 77, 126
Male patients, deteriorated, occupational therapy for, 251
Manhattan State Hospital, fire at, some reflections on, 224
,, ,, ,, treatment of neuro-syphilis at, 253
Mania, chronic asthenia and, 248
Manic-depressive psychoses, 379
Maudsley Hospital, lectures and practical instruction at, for diploma in psychological medicine, 140, 270
,, ,, opening of, 151
,, lecture, the fourth, delivered by Dr. C. K. Clarke, 279
,, lecturers for 1924, 1925, 543
Medico-legal notes, 89, 209, 351
Medico-Psychological Association, eighty-second annual meeting held in London, 528
,, ,, library, 274, 410
,, ,, meetings, 131, 259, 390, 528
,, ,, report of Committee on Criminal Responsibility, 209
Meetings, dates of, 543, 594
Melancholia, true, and periodic asthenia, 520
Memory defect of Korsakoff type observed in multiple neuritis following toxæmia of pregnancy, 247
Mental After-Care Association, 274
,, cases, occupational therapy applied to, 251
,, deficiency (amentia), 108
,, ,, and insanity, prophylaxis of, 358
,, ,, and other mental affections, activating effect of blood-serum for cobra venom for, 162
,, ,, sterilisation and, 592
,, discipline, music as a means of, 385
,, disease, chronic sepsis and, 502
,, diseases, instruction in, to lay workers, 141
,, disorder arising from chronic lead poisoning, case of, 208
,, ,, early treatment of, a critical survey of out-patient clinics, 471
,, ,, expression of emotion in, as shown by psycho-galvanic reflex, 376
,, ,, nitrogen residue of blood in cases of, 387
,, ,, reaction of the urine in 120 cases of, 327
,, ,, functional, so-called, the relation of chronic sepsis to, 434, 465
,, ,, oculo-cardiac reflex in, 384
