Ringen, Catherine & Vikner, Sten. 2003. Note from the Editors. *Nordic Journal of Linguistics* **26.1**, 1.

Note from the Editors

We are very proud to present to our readers the first issue with our new publishers, Cambridge University Press. We hope that you will be pleased with the new features, e.g. the new cover, and we also hope that you will feel as much at home with the *Nordic Journal of Linguistics* as you have in the past.

We are also happy to announce that the issue 27.2 (2004) of the *Nordic Journal of Linguistics* will be a special issue on Comparative Nordic Semantics. For full details see the call for papers immediately after this note.

We would like to remind our readers and potential contributors that there are no fewer than three different ways to contribute to the *Nordic Journal of Linguistics*: (longer) articles, (shorter) debate contributions and book reviews.

Last, but not least: To all the reviewers who have reviewed papers for the *Nordic Journal of Linguistics* in the year 2002, we would like to express our heartfelt thanks (also on the part of the editor of the special issue on Negation, Anders Holmberg) for your time and effort. In addition to the members of our Editorial Board, these reviewers include:
