Democratic Transition in Slovenia

Value Transformation, Education, and Media

Edited by Sabrina P. Ramet and Danica Fink-Hafner

Here, authors consider the values—tolerance, equality, church-state separation, respect for democratic procedure, human rights, and civic-mindedness—that helped Slovenia become the first of the Yugoslav successor states to transition from socialism to democracy. The contributors discuss such issues as the manner in which Slovenia has set out to build democracy, the ways in which values are transmitted, the role of the media in a free society, and the structure of educational systems.

Uncertain Path

Democratic Transition and Consolidation in Slovenia

Rudolf Martin Rizman

Foreword by Sabrina P. Ramet

Rizman analyzes social processes and political issues in Slovenia's transition to a democracy. "[He] shows how the problems of Slovenia's post-Communist transition are related to, and are a legacy of, the nation's Communist period and have roots in its pre-Communist past. Scholars of post-Communist transitions will find Rizman a guide who connects the twenty-first century's issues to those of the nineteenth and early twentieth centuries."—Roman Szporluk, Harvard University

The Orthodox Church and Civil Society in Russia

Wallace L. Daniel

"Reaching down into 'the trenches of Orthodoxy,' Daniel finds the Russian Orthodox Church to be a powerful force that, as it attends to a needy and scattered flock, is also shaping the destiny of Russian civil society."—Nicolai N.
