ACKNOWLEDGMENT

In memory of Dr. Pamela Phillips, the journal's long-time Production Editor, who, tragically, died suddenly of an unsuspected illness while finishing work on this issue of *Social Philosophy & Policy*. Pam was widely admired for her intellectual insight and editorial expertise, and she will be remembered for her rare blend of providing rigorous feedback with unfailing kindness as well as the graciousness, human warmth, and thoughtfulness that she brought to her interactions with everyone. This, her final issue, is testimony to her exceptional and exacting professionalism.
