INDEX TO VOL. LXX.

PART I.—GENERAL INDEX.

Abderhalden reaction in mental disorders, 152
Acetic anhydride-sulphuric acid test, studies in cerebrospinal fluid with, 322, 473
Actinomycosis, case of, 432
Adolescence, psychology of, 199
African tick fever, clinical notes on case of paresis treated with, 89
After-care, mental, 358
Amentia, cretinoid, sporadic, three cases in one family, 423
American and Canadian psychiatric opinion as to focal infections (chronic sepsis) as causative factors in functional psychoses, 542
Appointments, 176, 346, 506, 713
Arterial pressure during oculo-cardiac reflex, variations in, 316
Atkin Report, the, 284, 287
Auditors, appointment of, 659
„ report of the, 663
Auto-infection, *rôle* of, in ætiology of acute and chronic mental disorders, 537

Basal metabolism in mental disorders, especially dementia præcox, and the influence of the diathermic current on the same, 47
Behaviour and personality in dementia præcox, relation of puberty to, 321
„ changes supervening upon encephalitis in children, 465
Bethlem Royal Hospital, lectures at, 709
Blood-chemical investigation on the pathology of epileptic fits, 142
Blood, mineral substances in, in case of stupor, 323
„ pressure, relation of, to serum-albumen in epileptic fit, 142
„ reactions of, to ingestion of protein in the psychoses, 554
Board of Control, and the malarial treatment of general paralysis, 337
Bodily and mental disease, thyroid gland in, 519
Brain, iron in, Spatz test for, 577

Canadian and American psychiatric opinion as to focal infections (chronic sepsis) as causative factors in functional psychoses, 542
Cerebello-Parkinsonian association : three cases of a clinical complex, 654
Cerebral lesions, special action of pilocarpine in, 147
Cerebrospinal fluid, colloidal gold reaction with, 572
„ „ studies in, with an acetic anhydride-sulphuric acid test, 322, 473
„ „ pressure changes in, 224
Child, the difficult and delinquent, 315
Children, mental disorders in, 477
Circulation in dementia præcox, study of, 148
Cisternal puncture, method of use and, 376
Clarke, C. K. (obituary), 343

https://doi.org/10.1192/S0368315X00184907 Published online by Cambridge University Press

Colloidal gold reaction with cerebrospinal fluid, 572
Collosol bromine in treatment of insane epileptics, 425
Committee, Educational, report of, 663
,, Lord Chancellor's, on Insanity and Crime, abstract of report of, 96
,, on Dietaries in Mental Hospitals, report of, 632
,, Parliamentary, report of, 665
Committees, appointment of, 659
Complex, clinical, three cases of (cerebello-Parkinsonian association), 654
Correspondence, 342, 504, 712
Council and officers, election of, 659
,, report of the, 659
Cretinoid amentia, sporadic, three cases in one family, 423
Crime and Insanity, Lord Chancellor's Committee on, abstract of report of, 96

Delinquency and mental defect, 155
Dementia præcox, basal metabolism in, and influence of diathermic current on, 47
,, ,, is it a definite clinical entity ? 529
,, ,, relation of puberty to behaviour and personality in, 321
,, ,, some aspects of, 208
,, ,, study of the circulation in, 148
,, ,, subjects, effect of malarial fever upon, 92
Diathermic current, influence of, on basal metabolism in mental disorders, especially dementia præcox, 47
Dietary in Mental Hospitals, Committee's report, 632
Difficult and delinquent child, the, 315
Dinner, Annual, 691
Dorset County Hospital Mental Clinic, 112
Dutch Universities, medical education in psychiatry and neurology at, 179
Dysenteric infections in mental hospitals, diagnosis of, 24

Eades, A. I. (obituary), 503
Editors, report of the, 663
Educational Committee, report of, 663
,, notes, 164, 709
Egypt, Government of, lunacy division report, 156
,, 28 years' lunacy experience in, 233, 380, 579
Encephalitis, epidemic ; some psychical sequelæ, 1
,, lethargica, 465
,, ,, lesions in posterior horns of cord in, 323
,, ,, notes on, 561
,, with cortical localization, case of, 465
Endocrine glands, anatomical and pathological changes of, in epilepsy, 150
Epidemic encephalitis. *See under* Encephalitis.
Epilepsy, anatomical investigations, 463
,, endocrine glands and their anatomical and pathological changes in, 150
,, Erb's phenomenon in, 142
,, genealogical investigations, 464
,, genuine, pathogenesis of, 142
,, investigations of metabolism in relation to, 463
,, luminal treatment of, 428
,, present state of research in, 462
,, regulation of neutrality in, 142
Epileptic fit, serum-albumen in, and its relation to the blood-pressure, 142
,, fits, pathology of, blood-chemical investigations on, 142
Epileptics, insane, collosol bromine in treatment of, use of, 425
Epitome of current literature, 142, 308, 462, 651
Erb's phenomenon in epilepsy, 142
Eunuchoidism, familial, hereditary, genesis and clinical features of 5 cases of, 149
Exhibitionism, observations on, 657

https://doi.org/10.1192/S0368315X00184907 Published online by Cambridge University Press

Focal infections (chronic sepsis) as causative factors in functional psychoses, 542
Folie à deux, 261
Fugues, ætiology and clinical characters of, 655
Funds, motions involving expenditure of, 667

General Nursing Council for Scotland and the Association's nursing examination, 667
General paralysis: its unsolved problems, 33
" " malaria therapy in: being observations on 50 cases treated at County Mental Hospital, Whittingham, 81
" " malarial treatment of, Board of Control and, 337
" " relapsing fever therapy in: clinical notes in case of paresis treated with African tick fever, 89
" " treatment of, *rôle* of infection in, 76

Hemiplegia without visible brain lesions in the pneumonias of the insane, 322
Honorary and Corresponding Members, election of, 659

Illegitimacy, mental hygiene aspects of, 154
Imbecility, moral, 362
Infection, *rôle* of, in treatment of general paralysis, 76
Infections, dysenteric, in mental hospitals, diagnosis of, 24
Insane epileptics, collosol bromine in treatment of, use of, 425
" pneumonias of the, hemiplegias without visible brain lesions in, 322
" public institutions for, application of present-day knowledge of psychiatry to those under care in, 507
Insanity and Crime, Lord Chancellor's Committee on, abstract of report of, 96
Irish Division, meetings, 164, 494
Iron in the brain, Spatz test for, 577

Jewish mind, the, in the making, 651

King's College Hospital, London, 341
Kraepelin, Prof. E., a tribute to, 342

Lancaster, Royal Albert Institution, Annual General Meeting, 165
Library Committee, report of, 666
Life processes and the vegetative nervous system, 153
Linguo-maxillary reflex, 316
Lord Chancellor's Committee on Insanity and Crime, report of, abstract of, 96
Luminal treatment of epilepsy, 428
Lunacy experience in Egypt, 28 years of, 233, 380, 579
" Law, Royal Commission on, 503

Malaria therapy in general paralysis: being observations on 50 cases treated at County Mental Hospital, Whittingham, 81
Malarial fever, effects of, upon dementia præcox subjects, 92
" treatment of general paralysis, Board of Control and, 337
Maudsley Lecture, the fifth, delivered by Dr. J. Carswell, 347
" lecturer (1925) (Dr. J. Shaw Bolton), 667
Medical education in psychiatry and neurology at Dutch Universities, with special reference to Neuro-Psychiatric Clinic at Utrecht University, 179
Medico-legal notes, 96, 264, 280, 435, 629
Medico-Psychological Association, eighty-third annual meeting held in Belfast, 658
" " library, 342
" " meetings, 157, 325, 481, 667
" " and General Nursing Council (England and Wales) in conference, 170

https://doi.org/10.1192/S0368315X00184907 Published online by Cambridge University Press

Meetings, dates of, 175, 346, 506, 667, 713
Melancholia accompanied by urethral stricture with retention of urine, case, 626
Mental after-care, 358
„ and bodily disease, thyroid gland in, 519
„ and general hospitals, reciprocity between, the training of nurses and, 114
„ conditions found in certain sexual offenders, 474
„ defect, delinquency and, 155
„ disease, test for phenol-sulphonaphtaline in, 323
„ „ vegetative nervous system and, 153
„ disorder, psychogenic factor in causation of, 58
„ „ Abderhalden reaction in, 152
„ „ acute and chronic, *rôle* of auto-infection in, 537
„ „ basal metabolism in, and the influence of the diathermic current on the same, 47
„ „ in children, 477
„ „ inheritance of, 319
„ „ occurrence of, prevention and treatment of, sociological considerations bearing upon, 347
„ examination of persons accused of crime, State legislation for, 480
„ hospitals, dietaries in, Committee's report, 632
„ „ dysenteric infections in, diagnosis of, 24
„ „ occupational therapy in, 478
„ „ Service patients in, review of, 312
„ hygiene and our universities, 653
„ „ aspects of illegitimacy, 154
„ „ National Council for, annual meeting of, 710
„ „ reaction of college students to, 653
„ tests of a superior child, 653
„ trends and mechanisms, and their relation to disease considered in their more familiar manifestations, 217
Metabolism, investigation of, in relation to epilepsy, 463
Mid-brain, vegetative centres in, site and activities of, 153
Miller, A. (obituary), 171, 177
Moral imbecility, 362
„ „ conception of, two cases illustrating, 612
Motor system, extra-pyramidal, paralytic process and, 472
Mott, Sir F., *K.B.E.*, F.R.S., presentation to, 169
Moving pictures, psychiatric, 474
Muscular paralysis, pseudo-hypertrophic, case of, 433

National Council for Mental Hygiene, annual meeting of, 710
„ Hospital for Paralysed and Epileptic, post-graduate course at, 710
Needham, Sir Frederick (obituary), 713
Neurology and psychiatry, medical education in, at Dutch universities, with special reference to Neuro-Psychiatric Clinic at Utrecht University, 179
Neuro-psychiatric affections, study of sympathetic nervous system in, vaso-motor cutaneous reactions in, 316
Neutrality in epilepsy, regulation of, 142
Northern and Midland Division, meetings, 162, 491
Notes, 157, 481, 632, 658
Notices by Acting-Registrar, 171
„ of meetings, 175, 346, 506, 667, 713
Nurses, training of, and reciprocity between Mental and general hospitals, 114
Nursing examination, Association's, and the General Nursing Council for Scotland, 667
„ General, Council, and Medico-Psychological Association in conference, 170

Obituary.—Clarke, C. K., 343
Eades, A. I., 503
Miller, A., 171, 177
Sir Frederick Needham, 713
