Calendar of Events

September 20-22, 1995
"Training in Basic Infection Control," an educational course, will be held at the Miller-Dwan Medical Center in Duluth, Minnesota. The intensive 3-day course is oriented toward new practitioners in long-term and acute care. Participants will earn credit for 25 contact hours. For more information, contact Pauline Nuhring, Education Coordinator, Miller-Dwan Medical Center Foundation, 502 E 2nd St, Duluth, MN 55805; telephone (800) 766-8762, ext. 1223.

October 9-13, 1995
"Clinical Surveillance of Nosocomial Infections" is an educational course sponsored by the University of North Carolina at Chapel Hill's School of Medicine and UNC Hospitals. The course offers infection control practitioners an opportunity to develop their knowledge of nosocomial infections and to improve their clinical surveillance skills. For more information, contact Eva Clontz, Program Coordinator, CB #7030, 547 Clinical Sciences Bldg, UNC-Chapel Hill, Chapel Hill, NC 27599-7030; telephone (919) 966-3242; Internet e-mail Eva_Clontz@unc.edu.

November 6-10, 1995
"The Infection Control Practitioner as an Environmentalist" is an educational course sponsored by the University of North Carolina at Chapel Hill's School of Medicine and UNC Hospitals. The course offers infection control practitioners an opportunity (1) to broaden their knowledge of the interface between infection control and specific departments within the hospital, and (2) to improve their understanding of sterilization, disinfection, antibiotic utilization, infections in high-risk groups, and epidemic situations. For more information, contact Eva Clontz, Program Coordinator, CB #7030, 547 Clinical Sciences Bldg, UNC-Chapel Hill, Chapel Hill, NC 27599-7030; telephone (919) 966-3242; Internet e-mail Eva_Clontz@unc.edu.

December 7-9, 1995
The 3rd annual ACPID (Advances in Clinical Practice of Infectious Diseases) will be held in the Hyatt Regency New Orleans (Louisiana) Hotel. Jointly sponsored by the Gorbach-Golden Medical Research Corp and the University of Texas Southwestern Medical Center, the seminar will focus on the management of common infections in office practice. To request a brochure, contact Robert W. Kruse and Associates, Inc, Seminar and Exhibits Manager; telephone (317) 488-1234, fax (317) 488-1254.
