TO OVERSEAS MEMBERS

The College is always pleased to welcome overseas members to its meetings. It is appreciated that communications overseas sometimes take a long while to arrive, but it would not be financially possible to send all programmes by airmail every time.

When we know that someone is interested in a particular meeting preliminary information and the final programme are sent individually by air as soon as they are ready. If you hope to attend a meeting would you please contact the Secretary of the College, who will send you any information that is available.
