Papers

DR. BRIAN WARD read an introductory paper entitled "Establishing a Psychiatric Unit at St. Luke's Hospital, Huddersfield", which was followed by a paper by DR. J. S. HUGHES on "The Commissioning and Functioning of St. Luke's Psychiatric Unit".

The Meeting then adjourned to Storthes Hall Hospital for lunch.

The afternoon session comprised two further papers; the first entitled "Classification of Depression: A Clinician's View of New Ideas" by PROFESSOR MAX HAMILTON; the second "The Clinical Findings from 142 in-patient Depressives analysed in relationship to a Biochemical Criterion and also factorially" by DR. W. M. ANDERSON.

All these papers stimulated a keen and full discussion.

The Meeting ended with a tour of Storthes Hall Hospital, followed by tea.

SCOTTISH DIVISION

THE SUMMER MEETING of the Scottish Division was held at Dingleton Hospital, Melrose, on Friday, 21 June, 1968.

The Division noted with regret the deaths of Dr. David M. Kissen and Professor Frank Fish.

The Report from the Committee of Management of its meetings on 6th June, 1968 and 21st June, 1968 was read and accepted.

The following nominations were made for membership of regional boards:

North	DR. M. M. WHITTET
North-East	DR. R. A. Y. STEWART
	DR. G. E. FAULKNER
East	DR. P. B. WHATMORE
	DR. P. G. AUNGLE
South-East	DR. A. K. M. MACRAE
West	DR. A. B. SCLARE
	DR. G. C. TIMBURY

On the subject of prescription charges it was agreed that the Division should make representation to the Council, the Scottish Home and Health Department and the Mental Welfare Commission on behalf of psychiatric patients requiring long-term medication.

It was agreed that the Division's Observer, Professor I. R. C. Batchelor, be asked to enquire whether representatives of the Division could have continuing discussions with the Scottish Postgraduate Medical Association on psychiatric education and training, perhaps by joining a Working Party.

The following was elected an ordinary member of the Association:

FIELD, MICHAEL ALEXANDER SERGIEJEWIES, M.B., Ch.B., Senior House Officer, Royal Dundee Liff Hospital, Dundee.
Proposed by Dr. F. G. Aungle, Professor I. R. C. Batchelor, Dr. G. C. Timbury.

The programme for the day consisted of a large group discussion on COMMUNITY PSYCHIATRY IN THE SCOTTISH BORDERS, opened by Dr. Maxwell Jones and joined by members of the Division and by members of the Dingleton Staff, including representatives of administration, nursing, psychology, social work, education and general practice. This multidisciplinary exercise remained lively, provocative, entertaining and always interesting, thanks to the skilful leadership of Dr. Maxwell Jones, to whom the Division is grateful for this hospitality and instruction.

THE AUTUMN MEETING of the Scottish Division was held at the Royal Dundee Liff Hospital on Friday, 27 September, 1968.

The Report from the Committee of Management of its meeting on 27 September, 1968, was read and accepted.

The following were elected Ordinary Members of the Association:

FLEMING, GAVIN, M.B., Ch.B., D.P.M., Senior Registrar, Department of Psychological Medicine, Southern General Hospital, Glasgow.

Proposed by Drs. H. I. Clapham, R. N. Herrington, J. Duffy.

MARSH, WILLIAM, M.A., M.B., Ch.B., Senior House Officer, Department of Psychological Medicine, Southern General Hospital, Glasgow.

Proposed by Drs. H. I. Clapham, R. N. Herrington, J. Duffy.

DR. A. P. RUSSELL was nominated for membership of the Scottish Health Services Council, regarding the memorandum on training in Forensic Psychiatry, it was agreed that comments on the Memorandum should be sent to Dr. P. B. Whatmore and that further consideration of the Memorandum should be held over until the publication of the Report of the Working Party on Forensic Psychiatry of the Standing Medical Advisory Committee.

It was reported that Professor Batchelor had intimated that he was satisfied that the R.M.P.A. would be adequately represented on the Scottish Postgraduate Medical Association or any future central body, and that Regional Committees would also invite representation from the R.M.P.A.

The programme for the day comprised three papers—**"A Register Study of Diagnostic Patterns in Affective Illness in the U.S.A."** read by Dr. A. M. Gray, Eastern District Hospital, **"The Battered Baby Syndrome"** read by Dr. E. H. Bennie, Eastern District Hospital, and **"School Refusal in Severely Disturbed Adolescent Psychiatric Patients"** read by Dr. Margaret Smith, Forensic Psychiatry Clinic, Glasgow. Each paper was followed by questions and discussion, and the Division is extremely grateful to the speakers for their contributions.

Throughout the day excellent arrangements and hospitality were provided, for which the Division wishes to thank Dr. P. G. Aungle, Physician Superintendent, and his staff.
