## SOUTH-EASTERN DIVISION

The Autumn Meeting of the South Eastern Division was held at Napsbury Hospital, near St. Albans, Herts, on Thursday, 8 October 1970, by the kind invitation of the Hospital Management Committee and Dr. J. H. Patterson, Medical Superintendent.

Following coffee, groups left for a tour of the Hospital and were particularly impressed by the great variety of well organized activities available to all patients as part of their treatment and rehabilitation. Recent buildings blended into the magnificently kept grounds which showed up well all the progress made in this Hospital since our last visit twenty years ago.

At lunch, Mr. George Reed, Chairman of the Hospital Management Committee, welcomed members on behalf of Napsbury Hospital. Dr. David Leiberman, Divisional Chairman, replied.

The report of the Divisional Committee of Management was read. Arising from this, steps which our Division will be expected to take with the inception of the proposed College were discussed. It was resolved that Council should be requested to explore ways in which Fellows and Members could be notified about meetings held in their neighbouring Divisions.

The Committee of Management's recommendation that the past Minutes of the Divisional Meetings and those of the Divisional Committee of Management shall be deposited with the Librarian of the College was accepted. The suggestion that the Badge of Office of the Divisional Chairman and our Divisional Voting Box should also be deposited in a similar way was approved.
