SUBJECTS

Bangladesh
use of modern contraception. 327–341
preference for children and fertility. 17–28
Bed net use
and mosquito avoidance in Ghana. 79–92
Behavioural genetics
nature, nurture and first sexual intercourse in the USA. 29–41
Birth intervals
and the status of women in India. 55–69
Body height
of adult Japanese women. 555–558
in socialist-era Poland. 525–536
Body weight
of adult Japanese women. 555–558
Breast-feeding
and lactational amenorrhoea. 289–310
Child mortality
and mode of subsistence. 1–16
and family-building patterns. 463–485
Childhood illness
in Guatemala. 195–220
China
Chinese traditional medicine and abnormal sex ratio at birth. 487–503
age at menarche. 257–267
Chinese traditional medicine
and abnormal sex ratio at birth in China. 487–503
Cholesterol
and life changes. 269–277
Commuting
in Tokyo Megalopolis. 71–78
Consanguinity
perceptions in Pakistan. 449–461
and age at marriage, contraceptive use and fertility in Pakistan. 121–138
Contraception
use in rural Bangladesh. 327–341
and consanguineous marriage in Pakistan. 121–138
use by Asian women in Britain. 537–554
discontinuation in six developing countries. 343–360
and ethnicity in Ghana. 105–120
and marriage structure in Niger. 93–104
and maternal-child health service use in Morocco. 145–165
unmet need in rural Egypt. 311–326
Dopamine receptor gene
and first sexual intercourse. 43–54
Egypt
family planning supply and unmet need. 311–326
Embryo mortality
insurance ovulation and twinning. 135–255
Ethiopia
child undernutrition in war-torn society. 403–418
Ethnicity
and contraceptive use in Ghana. 105–120
Family planning
unmet need in rural Egypt. 311–326
Fertility
in a pre-industrial community. 505–523
and preference for children in Bangladesh. 17–28
Foraging
and sub-adult mortality. 1–16
Genetics
hierarchical genetic structure of an English urban town. 279–284
Ghana
ethnicity and contraceptive use. 105–120
mosquito avoidance and bed net use. 79–92
population dynamics. 375–391
Guatemala
beliefs about children's illness. 195–220
India
status of women and the first-birth interval. 55–69
Infant mortality
and mode of subsistence. 1–16
Isonomy
hierarchical genetic structure of an English urban town. 279–284
Japan
body height and weight of Japanese women. 555–558
Kenyan Maasai
ultradian rhythms in time and space. 233–243

https://doi.org/10.1017/S0021932099005659 Published online by Cambridge University Press

Lactational amenorrhoea
and breast-feeding. 289–310
Malnutrition
in war-torn Ethiopia. 403–418
Marriage
perceptions of consanguineous marriage in Pakistan. 449–461
consanguinity, age at marriage, contraceptive use and fertility in Pakistan. 121–138
and contraception in Niger. 93–104
in two Outer Hebridean islands. 167–193
Maternal-child health
and contraceptive use in Morocco. 145–165
Menarche
in China. 257–267
Menstrual cycle
and psychosocial stress. 393–402
Morocco
maternal-child health service and contraceptive use. 145–165
Mosquito avoidance
and bed net use in Ghana. 79–92
Niger
marriage structure and contraception. 93–104
Nutrition
in a pre-industrial community. 505–523
Obesity
and social class in Poland. 419–423
Outer Hebrides
probabilities of marriage. 167–193
Ovulation
embryo mortality and twinning. 135–255
Pacific Islands
suicide. 433–448
Pakistan
age at marriage, contraceptive use and fertility in consanguineous marriages. 121–138
perceptions of consanguineous marriage. 449–461
Poland
family size, urbanization and education. 525–536
social class and obesity. 419–423
Population dynamics
in Ghana. 375–391
in a pre-industrial community. 505–523
Pre-industrial community
nutrition, fertility and population dynamics. 505–523
Premarital childbearing
and adolescent transition to coitus in Sudan. 361–374
Sex ratio
abnormal sex ratio at birth in China. 487–503
Sexual behaviour
adolescent coitus and premarital childbearing in Sudan. 361–374
dopamine receptor genes and first sexual intercourse. 43–54
nature, nurture and first sexual intercourse in the USA. 29–41
Social class
and obesity in Poland. 419–423
Stress
and the menstrual cycle. 393–402
Subsistence
and sub-adult mortality. 1–16
Sudan
adolescent coitus and premarital childbearing. 361–374
Suicide
in Pacific Islands. 433–448
Twinning
insurance ovulation and embryo mortality. 135–255
Ultradian rhythms
of the right and left brain in German subjects. 221–231
in time and space in Kenyan Maasai. 233–243
War
and child undernutrition in Ethiopia. 403–418
