Announcements

Emit RSS t:me recording have announced the release of three new CDs in their 3-D collection using the RSS system. The CDs are described as 'audio adventures and electronic possibilities for enquiring minds in an anxious age'. Two feature music from various artists on the label: *em:t2296* and *em:t1197* and the third is titled *undark3396*. Further details can be obtained from Square Centre Studios, 389–94 Alfred Street North, Nottingham NG3 1AA, UK or emit@msn.com

Per Buhl Acs and Jørgen Teller have announced the availability of a CD entitled *Pendler*. The CD resulted from a project to celebrate the passage from 1996 to 1997. Twelve composers, including Barry Truax and Francis Dhomont, were asked to make pieces using recordings of commuters in Copenhagen's Central Station made on the 2nd January 1997. The resulting pieces have been released as a 2 CD set by Skræp. Further information can be obtained from Skræp, Kronprinsensgade 7, Mezz. DK 114 K, Copenhagen, Denmark.

Denn Senn sent us a postcard from Tacoma WA, USA showing one of his kinetic sculptural instruments, 'Tooned Jiggerling'. Denn is a composer who produces sculptural instruments, videos and installations. Further information about his work can be found at http://www.nwrain.net/~newsense or by contacting newsense@nwrain.com
