Remarks about inhomogeneous pair correlations – CORRIGENDUM

FELIPE A. RAMÍREZ

DOI: 10.1017/S0305004121000591, Published online by Cambridge University Press, 06 September 2021

The author of the above paper regrets an error in Theorem 2.7 on page 374, where a quadratic form subject to constraints is incorrectly optimized. If γ is non-integer, then there exist non-equidistributed sequences with γ-PPC.

The error does not affect any of the other results in the paper.
