Does Scripture Speak for Itself?

THE MUSEUM OF THE BIBLE and the POLITICS OF INTERPRETATION

Jill Hicks-Keeton and Cavan Concannon

"This book shows how contemporary white Americans manufacture the Bible they need to achieve the political future they want. In this incisive work, two brilliant scholars offer a coruscating view of how scripture operates as an ideological weapon. Required reading for students of religion, race, and politics in the U.S."

Prof of Religious Studies and American Studies,
Chair or Religious Studies, Yale University
