noun. a set of principles and practices through which research outputs are distributed online, free of access charges or other barriers.

Support Open Access to Linguistics Journals: Contribute to the LSA's Open Access Publications Fund today.

The journal *Language* has been open access since 2013, with all content freely available to any reader on the LSA website after one year, with selected content available immediately.

Other LSA open-access publications include *Semantics & Pragmatics* and *Phonological Data & Analysis* and the conference proceedings of SALT, AMP, and PLSA.

This is made possible by the generosity of donors to the Open Access Publications Fund, and the dues payments of LSA members like you.

INFORMATION FOR CONTRIBUTORS

LANGUAGE, a journal of the Linguistic Society of America, carries technical articles dealing with problems of linguistic science, reviews of recently published linguistic works, and notes of interest to professional linguists.

MANUSCRIPTS for publication should be submitted to the online portal at http://languagelsa.org/index.php/language, where submission guidelines and Society membership requirements can be found. Normally at least one author of any article or review article submitted to LANGUAGE must be a member of the Society.

Manuscript form. Please refer to the 'Notes to contributors' section on the Language website for complete information about the submission process (http://languagelsa.org/index.php/language/Notes).

Book reviews are solicited by the Review Editor and must adhere as closely as possible to the LANGUAGE style sheet (https://www.lsadc.org/rc_files/5/Language_Journal_Style_Sheet.pdf) on first submission, but special notice must be taken of the specific instructions for book review formatting found online at http://languagelsa.org/index.php/language/book-reviews.
