The Five-Minute Linguist offers quick and reliable answers to questions about language that most of us have. The book is the work of experts, authoritative and full of facts, but not technical or aimed at an audience of scholars. It is used by beginning students of linguistics and anthropology, and has broad appeal for general readers, people who read for enjoyment as well as knowledge. The second edition of the book was produced under the sponsorship of the Linguistic Society of America and the (U.S.) National Museum of Language.
