SUBMISSION OF ABSTRACTS DEADLINE: JANUARY 9, 1996

The Sixth Annual Meeting of

SHEA

The Society for Healthcare Epidemiology of America

APRIL 21-23, 1996
THE OMNI SHOREHAM HOTEL
WASHINGTON, DC

16 hours of Category 1/AMA Credit

For Abstract Forms, Preliminary Program and Registration Information, please contact SHEA at 609-845-1720 or fax 609-853-0411

The George Washington University Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The George Washington University Medical Center designates this continuing medical education activity for 16 credit hours in Category 1 of the Physicians Recognition Award of the American Medical Association.

SHEA welcomes the submission of abstracts of original contributions for presentation during the Sixth Annual Meeting. Abstracts will be selected for Platform and Poster sessions based on scientific merit. To be considered, abstracts must be submitted on the official abstract form before January 9, 1996. A limited number of "Late Breaker" abstracts on recent investigations or studies of national importance will be considered if submitted before February 23, 1996.

Abstract submissions may be nominated for the SHEA Young Investigator Award or the SHEA Trainee Award for presentation at the Annual Meeting.

For further information regarding the above awards or to obtain abstract forms, please contact SHEA Meetings Department, 875 Kings Highway, Suite 200, Woodbury, NJ 08096-3172 U.S.A. Tel. (609) 845-1720; Fax (609) 853-0411.

Solution: Who says you have to sacrifice comfort for protection? Introducing the KIMBERLY-CLARK® Impervious Comfort Gown.

❶ The outside is quilted film for outstanding protection. The inside is soft fabric for comfort. The design is open-back with either thumb hooks or knit cuffs.

❷ In use tests, staff found KIMBERLY-CLARK® Impervious Comfort Gowns to be cool and light. In fact, they'd even wear them when it wasn't necessary.

❸ These gowns are a good choice if you want to standardize on one gown that will provide maximum protection with comfort in ICU, decontam, endoscopy and E.R.

❹ While we're on the subject, Kimberly-Clark has a complete family of gown options designed to help you reach your desired outcome at the lowest cost-per-use.

❺ Ask your Kimberly-Clark rep or call 1-800-KC-HELPS to receive a brochure on many of the infection control products available from Kimberly-Clark.
