pursuits. He was a lover of dogs, and at one time he was a breeder and exhibitor of Irish Terriers, and on several occasions was the holder of the Irish Terrier Cup. He was a close observer of nature, and in recent years devoted much of his spare time to his garden and his roses. He was a member of the British Medical and Medico-Psychological Associations.

The funeral took place in Belfast, a short memorial service, attended by members of the Committee and staff, being held in the Asylum Chapel on the previous Thursday.

He leaves behind many to mourn his loss, and not least important among them are those amongst whom he lived for so many years, his colleagues, his staff, and patients.

THE LIBRARY.

MEMBERS of the Association are reminded that the Library at 11, Chandos Street, W., is open daily for reading and for the purpose of borrowing books. Books may also be borrowed by post, provided that at the time of application threepence in stamps is forwarded to defray the cost of postage. Arrangements have been made with Messrs. Lewis to enable the Association to obtain books from the lending library belonging to that firm should any desired book not be in the Library. In addition, the Committee is willing to purchase copies of such books as will be of interest to members. Certain medical periodicals are circulated among such members as intimate their desire to be included in the list.

The Library Committee thanks Dr. Maurice Craig for the gift of the third edition of his book on *Psychological Medicine*.

Members reducing their private libraries are requested to bear in mind the library of the Association.

Applications for books should be addressed to the Resident Librarian, Medico-Psychological Association, 11, Chandos Street, Cavendish Square, W.

Other communications should be addressed to the undersigned at the City of London Mental Hospital, Dartford, Kent.

R. H. STEEN,
Hon. Secretary, Library Committee.
