SOCIAL SECURITY.

Just how strung out are we? Can single parents make ends meet? Can our government afford our social security program? Is your lover going to give you AIDS?

The complexity of sociology and the policy sciences is reflected in Sociological Abstracts' family of databases. With our eclectic classification system, encompassing both broad and highly specialized fields, SA and SOPODA are the only comprehensive sources of information about how our global society works. Or doesn't.

Grab On.

Get a handle on over forty years of succinct, expertly prepared abstracts drawn from more than 2,000 core and discipline-related periodicals, as well as selected books, conference papers, book and other media reviews, and relevant dissertations published worldwide.

Social Fabric.

What's the best way to hold hands with these powerful databases? Sociological Abstracts (SA) and Social Planning/Policy and Development Abstracts (SOPODA) are available in three convenient media designed to complement your research requirements and fit your budget – print, online, and CD-ROM.

And now the full text of journal articles and other material cited in the databases is rapidly available from SOCIOLOGY*Express, our new document delivery service.

Threaded Together.

Find out for yourself why SA and SOPODA continue to be the databases of choice for authoritative coverage of sociology and the related social sciences.

DÜNDEN BUGÜNE
İSTANBUL
ANSİKLOPEDİSİ

The most comprehensive work on the subject of İstanbul in Turkish is now published as the result of a collaboration between the Ministry of Culture and the History Foundation. The *İstanbul Ansiklopedisi*, with its 8 volumes, 10,000 items and thousands of photographs, engravings and maps, covers the whole of İstanbul's over 2000 years of history. İstanbul, as it develops, alters and expands, cannot be confined within a purely historical framework. Its present and future are just as important as its past, and the Encyclopedia contains many items dealing with the changing present-day life and institutions of the city.

Those wishing to buy this encyclopedia should fill in the form below, indicating the method of payment preferred. If paying through a bank, please send or fax a photocopy of the debit instructions to this address together with the form.
