Earthly Signs

Moscow Diaries, 1917-1922
Marina Tsvetaeva
Edited, translated, and with an introduction by Jamey Gambrell

"Is there prose more intimate, more piercing, more heroic, more astonishing than Tsvetaeva's? Was the truth of reckless feelings ever so naked? So accelerated? Voicing gut and brow, she is incomparable. Clad in the veil of translation, expert translation, her recklessness commands, her nakedness flames."
—Susan Sontag $24.95

—Richard Wortman $55.00

NEW MYTH, NEW WORLD

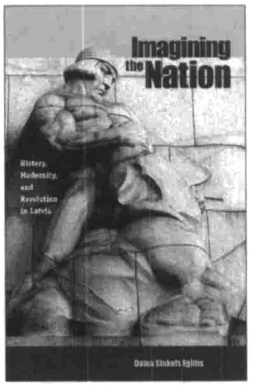

FROM NIETZSCHE TO STALINISM

Bernice Glatzer Rosenthal

"*New Myth, New World* is an original and provocative reinterpretation of Nietzsche's central impact on Soviet culture. Rosenthal has read widely and deeply in primary sources running from philosophy, religion, and poetics to political ideology, architecture, and street theater. In addition, she seems to know all the relevant scholarship, not just in English and Russian but also in German and French and other languages as well. This is a model of wide-ranging, well-informed historical research."

POSITIVE ECONOMIC SANCTIONS IN GERMAN-RUSSIAN RELATIONS

Randall Newnham

"This book raises important questions about the role of economic linkage and economic incentives that have been underaddressed in the fields of international political economy, international relations, and comparative politics. These questions will be of interest to a broad set of scholars. . . . This study also provides a wide-ranging and detailed discussion of German-Russian relations that should be welcomed by comparativists and regional experts."

Nationalism and the Crowd in Liberal Hungary, 1848-1914

ALICE FREIFELD

"An important and highly readable contribution to Hungarian and Habsburg history."—Robert Nemes, *Austrian Studies Newsletter*

"Freifeld brings liberal Hungary to life by focusing her attention on 'the chastened crowd' that replaced the revolutionary crowd of 1848–1849." —Lee Congdon, *American Historical Review*

Winner of the Barbara Jelavich Book Prize given by the American Association for the Advancement of Slavic Studies

Winner of the American Association for the Study of Hungarian History Award

"Freifeld's subject is the cohesive power of nationalism; the people in her book are essentially supportive of authority, provided it can be seen to represent the purposes of the nation . . . A refreshing work, written with verve and wit." —R.J.W. Evans, *English Historical Review*

"Freifeld not only discusses the actions and sentiments of the politicians, as is done in most of the works on this period, but she discusses the efforts of the common people who sought to change the system in which they lived . . . *Nationalism and the Crowd* most certainly deserves acclaim for its research, originality, and presentation." —Judith Fai-Podlipnik, *History*
