The Linguistic Society of America was founded in December, 1924, for the advancement of the scientific study of language. The Society plans to promote this aim by bringing students of language together in its meetings, and by publishing the fruits of research. It has established a quarterly journal, a series of language monographs, and a series of language dissertations; the last two will appear at irregular intervals, according to the material offered to the Committee on Publications and the funds available for the purpose. Members will receive all in return for the annual dues of Five Dollars.

Membership in the Society is not restricted to professed scholars in linguistics. All persons, whether men or women, who are in sympathy with the objects of the Society, are invited to give it their assistance in furthering its work. Application for membership should be made to the Secretary, Professor Roland G. Kent, University of Pennsylvania, Philadelphia, Pa.

Entered as Second Class Matter at the Postoffice at Baltimore, Maryland.

This Journal is published quarterly by the Linguistic Society of America. Members of the Society receive it without extra charge, three dollars of the annual dues being appropriated for this purpose; to others, its price is five dollars per annum. Subscriptions and other business communications should be addressed to Language, or to Roland G. Kent, Treasurer, L. S. A., University of Pennsylvania, Philadelphia, Pa. Manuscripts for publication should be sent to George Melville Bolling, Ohio State University, Columbus, Ohio.
