THE COLLEGE'S MEDALS AND PRIZES

Attention is specially drawn to the Medals and Prizes which are offered annually by the College. The conditions of award are set out fully in the Year-Book.

Gaskell Medal and Prize

The examination for the Gaskell Medal and Prize is held in May of each year. An entrance fee of £3.15 is charged, returnable to bona fide candidates. Entrance fees are due by 31 March.

Bronze Medal and Prize

Dissertations for the College's Bronze Medal and Prize should be forwarded to reach the Registrar not later than 30 April in each year.

Divisional Prizes

Papers certified as eligible for this competition must be forwarded to reach the Registrar not later than 30 April in each year.

APPOINTMENTS

Dr. A. D. Forrest, while retaining his association with the Royal Edinburgh Hospital, is now Physician Superintendent at Gogarburn Hospital, Edinburgh.

Dr. David Ross, formerly Physician Superintendent of Stratheden Hospital, Fife, has joined the East Anglian Regional Hospital Board Headquarters with duties specifically related to psychiatric services.

Dr. Terence Kay has been appointed to the newly created post of consultant in forensic psychiatry by the North-Eastern Regional Hospital Board, Scotland. It is hoped that a forensic team in the North-Eastern Region similar to the one in Glasgow at the Douglas Inch Clinic will eventually be built up.

Dr. Joshua Bierer has been appointed Professor of Social and Community Psychiatry at the South-eastern University of Florida.

Dr. M. R. Eastwood has been appointed Assistant Professor at the Clarke Institute of Psychiatry and Department of Psychiatry, University of Toronto. Dr. Eastwood will be associated with the Institute's Research Section on Psychiatric Epidemiology.

THESES ON DRUG ADDICTION AND ALCOHOLOGY

The documentation division of C.I.A.T.O. (Centre International d'Alcoologie/Toxicomanies) is gathering systematically all theses devoted to Drug Addiction (Legislation and jurisprudence; Sociology; Prevention and treatment) and to Alcohology (the study and science of phenomena related to alcohol).

All printed, mimeographed or type-written theses are gratefully accepted. An acknowledgement of reception will be returned.

The dissertations which come to the centre are analysed and become part of an annual *Bulletin Analytique*. In addition, a consultation and information service is organized.

One thousand Swiss francs will be awarded, for the first time in 1973, to the most outstanding thesis. Taken into consideration will be those theses presented before the Faculties of Law, Medicine, Science, Economics, Social Sciences, since the first of January 1966 and arriving at C.I.A.T.O. no later than 31 December 1972.

These dissertations should be addressed to: C.I.A.T.O., 3, Clochetons CH—*1004*, Lausanne Switzerland.

FORTHCOMING EVENTS

World Psychiatric Association

The 5th Congress will be held in Mexico City from 28 November–4 December. The programme will include 11 plenary sessions, 45 symposia, many sessions for free papers and a full social programme.

The Study Tours Sub-Committee of the College has arranged two itineraries for members. The first will cater for those attending the Conference only,

and the second will be an extended tour in Mexico itself and will include visits to some of the famous archeological centres.

World Federation for Mental Health

The next International Forum, 'Recognition of the Native Healer as an Active Participant in Mental Health Programmes', will be held at 7.30 p.m. in the 3rd floor Common Room of the University Department of Psychiatry, Royal Edinburgh Hospital, on 14 October 1971. Dr. Isam Babiker from the Sudan will be one of the speakers. All workers in the mental health field, particularly those who are interested in the special problems of the developing countries, are invited to attend and participate in the meeting.

Centre for Postgraduate Psychiatry, Birmingham

The following open postgraduate meetings will be held at the Charles Burns Clinic, Queensbridge Road, Moseley, Birmingham 13, at 4.0 p.m. 'Educational Priority Areas: Some Conclusions', by Mr. P. Widlake, 15 October; 'Strategies in the Assessment of Children with Learning Difficulties', by Dr. K. Wedell, 19 November; 'Education and Treatment of Maladjusted Children in a Residential Community', by Mr. E. T. Briggs, 10 December.
