Books by Our Readers

This section lists upcoming book publications across the broad field of political science. This list is fully reader generated. If your first-edition book is scheduled for publication in the three months before publication of the next issue of *PS*, enter the details of publication in the box found at the *PS* Web site: www.apsanet.org/section_223.cfm. We hope that spreading word of upcoming work will help keep our members even more attune to new scholarship within the discipline.

Rina Agarwala and Ronald J. Herring, eds.
Rowman & Littlefield

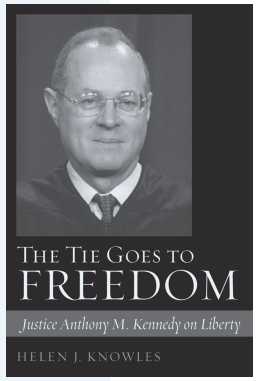

Women and Politics around the World: A Comparative History and Survey
Joyce Gelb and Marian Lief Palley
ABC-CLIO ■

SPOTLIGHT

The Tie Goes to Freedom: Justice Anthony M. Kennedy on Liberty

Helen J. Knowles
Rowman & Littlefield

From the publisher:

At the ideological center of the Supreme Court sits Anthony M. Kennedy, whose pivotal role on the Rehnquist Court is only expected to grow in importance now that he is the lone "swing Justice" on the Roberts Court. The Ties Goes to Freedom is the first book-length analysis of Kennedy, and it challenges the conventional wisdom that his jurisprudence is inconsistent and incoherent. Using the hot-button issues of privacy rights, race, and free speech, this book demonstrates how Kennedy forcefully articulates a libertarian constitutional vision. *The Tie Goes to Freedom* fills two significant voids--one examining the jurisprudence of the man at the ideological center of the Supreme Court, the other demonstrating the compatibility of an expansive judicial role with libertarian political theory.

Helen J. Knowles is assistant professor of political science at SUNY, Oswego.
