ANNOUNCEMENTS

THE CLAY MINERALS SOCIETY

20th Annual Meeting—32nd Annual Clay Minerals Conference
Buffalo Hilton—Buffalo, New York
October 2 to 7, 1983

Scientific Program: Special Symposia—Clay Intercalates
—Clay-Pollutant Interactions
—Clay and the Origin of Life

General Technical Sessions

Poster Sessions

Workshop: Infrared Techniques in Clay Mineralogy (Sunday, October 2)

Field Trips:
A. Stratigraphy and Scenery of Niagara Falls (one-day, October 6).
B. Soils, Glacial Deposits, and History of the Niagara Frontier (one-day, October 6).
C. Geology and Industrial Mineral Deposits of the Western Adirondacks (two-days, October 6–7).

Sponsors: State University of New York at Buffalo and other SUNY Earth Science Departments.

Further Information:

Dr. R. F. Giese, Jr.
Conference Chairman
Department of Geology
SUNY-Buffalo
4240 Ridge Lea
Amherst, New York 14226

Dr. M. B. McBride
Program Chairman
Department of Agronomy
Cornell University
Ithaca, New York 14853

SIXTH INTERNATIONAL ZEOLITE CONFERENCE

MGM Grand Hotel—Reno, Nevada
July 10 to 15, 1983

Scientific Program:

Donald W. Breck Memorial Symposium

Technical Sessions

- Geology & Mineralogy
- Crystal Structure
- Adsorption & Diffusion
- Zeolite Technology
- Ion Exchange
- Catalysis
- Synthesis
- Modifications
- New Instrumental Techniques

Poster Sessions

Ad-Hoc Sessions on Geology, Mineralogy, and other topics

Pre-Conference Field Trip (optional)

Organized by the International Committee on Natural Zeolites; July 7 to 10, from Boise, Idaho, to Reno, Nevada.

Ehibition of New Scientific Equipment for Zeolite Studies

Further Information

D. E. W. Vaughan (Co-chairman)
(*Technical Program*)
Exxon R & D Company
P.O. Box 45
Linden, New Jersey 07036

J. W. Ward (Co-chairman)
(*Local Arrangements*)
Union Oil Company of California
P.O. Box 76
Brea, California 92621

F. A. Mumpton
(*Field Trip*)
Department of the Earth Sciences
SUNY-Brockport
Brockport, New York 14420
