RECENT PUBLICATIONS

This list acknowledges recent works (except offprints of single articles) that appear to bear on the scientific study of language. The receipt of individual books cannot be separately acknowledged and no book can be returned to the publisher. Note especially that by accepting a book the Editor implies no promise that it will be reviewed in this journal.

Archangeli, Diana, and Douglas Pulleyblank. 2022. *Emergent phonology*. (Conceptual foundations of language science 7.) Berlin: Language Science.

Arcodia, Giorgio Francesco, and Bianca Basciano. 2022. *Chinese linguistics: An introduction*. New York: Oxford University Press.

INFORMATION FOR CONTRIBUTORS

LANGUAGE, a journal of the Linguistic Society of America, carries technical articles dealing with problems of linguistic science, reviews of recently published linguistic works, and notes of interest to professional linguists.

MANUSCRIPTS for publication should be submitted to the online portal at http://languagelsa.org/index.php/language, where submission guidelines and Society membership requirements can be found. BOOKS for review should be sent to the Review Editor of LANGUAGE (Jessi Grieser, Book Reviews Editor, *Language*, Department of English, College of Arts & Sciences, University of Tennessee, 301 McClung Tower, Knoxville, TN 37996-0430; jgrieser@utk.edu). Normally at least one author of any article or review article submitted to LANGUAGE must be a member of the Society.

Manuscript form. Please refer to the 'Notes to contributors' section on the LANGUAGE website for complete information about the submission process (http://languagelsa.org/index.php/language/Notes).

Book reviews are solicited by the Review Editor and must adhere as closely as possible to the LANGUAGE style sheet (http://www.linguisticsociety.org/files/style-sheet.pdf) on first submission, but special notice must be taken of the specific instructions for book review formatting found online at http://languagelsa.org/index.php/language/book-reviews.
