BJPsych International

RC PSYCH
ROYAL COLLEGE OF PSYCHIATRISTS

Readers, authors and reviewers are invited to share their views on *BJPsych International* through its 2026 feedback form.

It will take around five to eight minutes to complete, and doing so will help shape the journal's future content and development. By default, all responses are anonymous, but there is an option to provide your contact details if you wish.

Complete the form by following this link: BJPsych International Feedback Form 2026 ▶

Enys Delmage, Pamela J. Taylor, Heidi Hales

COLUMNS

444 Correspondence

445 Obituaries
Semyon Gluzman
Aggrey Burke

449 Book Reviews

Cover image

In this issue's editorial (pp. 367–369) Mandagere and colleagues argue that more training opportunities in neuropsychiatry would broaden trainees' understanding of medical and social realities of people with functional neurological disorder and help guide services in future.
