J. D. HANAWALT POWDER DIFFRACTION AWARD

The International Centre for Diffraction Data is seeking nominees for the 1998 J. D. Hanawalt Powder Diffraction Award. The award is presented every 3 years for an important, recent contribution to the field of powder diffraction. The award consists of a citation and a cash gift of $1000. The award recipient is expected to submit an abstract and present a paper on the work being recognized at an appropriate Powder Diffraction/Crystallographic Meeting. Recipient's travel expenses to the meeting will be provided. Work eligible for consideration must have been published after January 1, 1990. The selection committee welcomes suggestions, nominations and documentation of accomplishments for possible recipients through February 15, 1998.
