NOTES TO CONTRIBUTORS

Modern Asian Studies

Modern Asian Studies promotes original, innovative, and rigorous research on the history, sociology, anthropology, and economics of modern Asia. Covering South Asia, Southeast Asia, China, Japan, and Korea, the journal is published in six parts each year. It welcomes articles which deploy inter-disciplinary and comparative research methods. *Modern Asian Studies* specializes in the publication of longer monographic essays based on path-breaking new research; it also carries substantial synoptic essays which illuminate the state of the broad field in fresh ways. Issues of the journal will occasionally contain a forum of articles on related themes. Responses to issues raised in the fora are welcomed by the Editor and will be subject to the usual review procedure. Substantial review articles will be commissioned to discuss important new books. The Book Review Editor also welcomes proposals for such reviews. Unsolicited review articles will be accepted on the basis of peer review.
