Acknowledgments

We are grateful to Northeastern University and the Dee J. Kelly Law Library and the Arts & Humanities Fellowship at Texas A&M University, among others, for their pledges of financial support to permit this volume to be published open access. We are grateful, too, to Robert Gaines, who helped us get this project started, and to the contributors to the volume, who played along with our "contributors' symposium," resulting we hope in a stronger collection from all of us. Finally, thanks to the anonymous reviewers, who provided helpful insight into some issues that we would not otherwise have treated fully.
