The abstracts of World Health Organization (WHO) 6th Emergency Medical Teams (EMT) Global Meeting, November 5-7, 2024, are published as a special supplement to *Prehospital and Disaster Medicine*.

Peer review process:
Abstracts were reviewed by WHO Emergency Medical Teams, with WADEM collaboration in initial review of abstract submissions, rather than by the standard *Prehospital and Disaster Medicine* peer review process and should not be quoted as peer-reviewed by *Prehospital and Disaster Medicine* in any subsequent publication.

Disclaimer:
The abstracts have been published using author-supplied copy, with only minor editing made to correct spelling, style, and format where appropriate. No responsibility is assumed for any claims, instruction or methods contained in the abstracts, and it is recommended that these be verified independently.

The authors alone are responsible for the views expressed in the articles/abstracts contained in this supplement and they do not necessarily represent the views, decisions or policies of WHO or the institutions with which the authors are affiliated.

Acknowledgement:
The publication of this supplement was funded by WHO.
