The Seven Deadly Sins of Legal Writing

Theodore L. Blumberg

A most cogent guide to good legal writing. Blumberg emphasizes the importance of cultivating a clear and engaging prose style. He not only provides a typology of the profession's most common literary sins; he explores the motivations behind them. At once witty and exhilarating, *The Seven Deadly Sins of Legal Writing* will change the way lawyers and scholars do business.

Under pressure of disbarment this book should be read and understood by every lawyer, most of whom forget they, and the judges who read their miserable briefs, are human beings.

— Gerry Spence

$7.95 paper
56 pages
ISBNs: 1-934084-04-2
978-1-934084-04-5

A remarkable and concise roadmap to more effective, intelligible and persuasive legal writing. An invaluable desktop resource.

— Theodore B. Olson

Theodore L. Blumberg practices corporate and entertainment law in Manhattan. A graduate of Temple University School of Law, he is a frequent contributor to *The New York Law Journal* and a lecturer in the Fahringer seminars in legal writing.

An international program of study with leading figures in critical theory

invites you to apply for its 2017 Summer Session, June 18 - July 27

IN NEW YORK STATE'S FINGER LAKES REGION

"The SCT combines a relentless schedule of events with a pervasive spirit of conviviality."
Martin Moraw, Brandeis University

"In this community of critics, away from the familiar ecology of one's home institution, one is offered new ways of seeing, new questions, new connections."
David Russell, Princeton University

"One of the most enriching intellectual experiences of my academic life."
Karine Côté-Boucher, York University

"Six weeks in Ithaca gave me many moments of hopefulness: I made extraordinary friends; I found space, seven years into a faculty position, to think and to argue without the pressure of writing or publication."
Andrew van der Vlies, Queen Mary, University of London

Hent de Vries, Director
Russ Family Professor in the Humanities and Philosophy, Director of The Humanities Center, Johns Hopkins University

The Program
In an intensive six-week course of study, participants from around the world, across disciplines in the humanities and social sciences, explore recent developments in critical theory.

Tuition
The fee for the session is $3000. Applicants are eligible to compete for partial tuition scholarships and are urged to seek funding from their home institutions.

Admission
We welcome applications from faculty members and advanced graduate students at universities worldwide. Applications must be submitted online by February 1, and admissions decisions are announced in March.

An Essay on Man

Alexander Pope
Edited and with an introduction by Tom Jones

"This is a definitive, reader-friendly edition of a poem that ought to be circulated as widely as possible. The textual commentary is a model of its kind—lucid, full, rich in insight, and especially good at tracking down and elucidating the allusions in which the poem abounds. The introduction is also an exemplary piece of literary scholarship."
—Brian Young, Christ Church College, University of Oxford

Scurvy

The Disease of Discovery

Jonathan Lamb

"This excellent book captures and analyzes the enigma of scurvy, not as therapy-not-discovered, but as almost unknowable experience. Lamb magically transforms one of the most tired subjects in medical and maritime history and historiography into something conceptually and historically rich and fresh."
—Alison Bashford, author of *Imperial Hygiene*

Cloth $35.00

F.B. Eyes

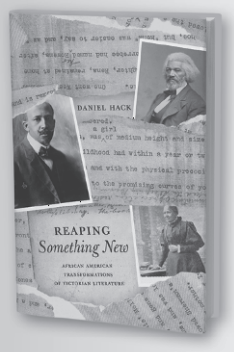

How J. Edgar Hoover's Ghostreaders Framed African American Literature

William J. Maxwell

"A bold, provocative study. . . . Maxwell's passion for the subject spills onto every page."
—*Publishers Weekly*

"Riveting. . . . *F.B. Eyes* is scintillating scholarship; for those invested in the literary and extra-literary lives of African American authors it holds all the intrigue of a pulp spy novel."
—*Chronicle Review*

The Political Poetess

Victorian Femininity, Race, and the Legacy of Separate Spheres

Tricia Lootens

"In this book, Lootens argues that from the late eighteenth century through recent times, the Poetess tradition has been predicated on the assumption of whiteness both in its practice and criticism. Lootens honors a tradition of feminist work on nineteenth-century women writers while throwing into question longstanding assumptions and showing a way to a more inclusive, politically engaged form of criticism. Compelling and persuasive, this is a landmark work."
—Eliza Richard, University of North Carolina, Chapel Hill

Cloth $45.00

Good Form

The Ethical Experience of the Victorian Novel

Jesse Rosenthal

"This is one of the best books I've read in a long while—and one of the very best first books I've ever read. Ambitious, highly original, and with wide-ranging implications, it offers persuasive new claims about reading, form, and historicism that are of great interest across literary studies. I expect it to take its place among recent major rethinkings of the nineteenth-century novel."
