Tables

The data in all tables should be assumed to be unfiltered (by information status) and unadjusted (by the female multiplier) unless otherwise stated in the table 'notes'.

1.1 Social/occupational status of male deponents in the dataset *page* 27
1.2 Overview of the sample 41
1.3 Tasks by court, region, and time period 43
1.4 Tasks by case type 44
1.5 Gender division of labour by category, unadjusted 47
1.6 Gender division of labour by category, female multiplier applied 49
1.7 Distribution of tasks across categories 51
1.8 Information status by category 52
1.9 Male and female repertoires compared, integral excluded 53
1.10 Work repertoires by court 55
1.11 Changes in repertoires over time 56
2.1 Work tasks performed 'for another' 65
2.2 Work tasks performed 'for another' by work category 66
2.3 Work tasks per age group 67
2.4 Women's lifecycle repertoires 69
2.5 Women's lifecycle repertoires: top subcategories 70
2.6 Men's lifecycle repertoires 71
2.7 Work performed 'for another' by age group 72
2.8 Women's repertoires by marital status 74
2.9 Women's work performed 'for another' by marital status 76
2.10 Social/occupational status of male actors in the dataset 78
2.11 Male actors' occupations by sector 80
2.12 Sectoral distribution of tasks 81
2.13 Sectoral distribution of tasks performed 'for another' 82
2.14 Sectoral distribution of 'for another' tasks excluding carework and housework 83

2.15 Male repertoires by social/occupational status 85
2.16 Work repertoires of certain artisans 87
2.17 Proportion of types of work performed by male occupational groups 89
2.18 Work repertoires of wives of certain occupations 91
2.19 Largest subcategories (25+ tasks) for labourers, husbandmen, and male servants 93
2.20 Work repertoires for servants 94
2.21 Proportion of work tasks 'for another' by occupation (male) 96
3.1 Gender division of labour by region 102
3.2 Work repertoires by region 103
3.3 Regional differences in agricultural work tasks 104
3.4 Rural and urban work repertoires by task location and worker residence 109
3.5 Women's rural and urban work repertoires compared, by residence of worker 112
3.6 Intra-parish tasks vs inter-parish tasks, by gender 114
3.7 Intra-parish and inter-parish repertoires 115
3.8 Inter-parish task distances (one way) 116
3.9 The proportion of work tasks located in different spaces 121
3.10 Gender and workspaces 123
4.1 Sources of evidence for worktime-use 136
4.2 Gender division of seasonal work: top categories and subcategories by quarter 148
4.3 Agricultural and craft occupations (male): top two categories and task distribution per quarter 151
4.4 Sabbath work: comparing weekday repertoires and gender division of labour 158
4.5 Workdays vs holy days: comparing repertoires and gender division of labour 161
4.6 Prevalence of work on different types of holy day 163
4.7 Tasks per phase of day 168
4.8 Work categories peak vs off-peak hours 171
4.9 Occupational groups peak vs off-peak hours 171
5.1 The location of housework 180
5.2 Gender division of labour in food and drink preparation 191
5.3 Housework undertaken 'for another' 196
5.4 Carework undertaken 'for another' 199
6.1 The most common farm-based work tasks 212
6.2 Agricultural repertoires of types of male farm workers 213
6.3 Agricultural repertoires of different types of women 214

6.4 Gender division of labour in the grain harvest 220
6.5 Gender division of labour in processing of field crops 222
6.6 Gender division of labour in making alcoholic drinks 223
6.7 Gender division of labour in animal husbandry 224
6.8 Gendered patterns in cattle farming 227
6.9 Gendered patterns in sheep farming 230
6.10 Gender division of labour in collecting fuel and gathering food 236
7.1 Work repertoires of male servants and apprentices compared 252
7.2 Crafts and construction: spatial dynamics 265
7.3 Gender division of labour and location of textile production 270
7.4 Gender division of labour and location of clothing and shoemaking 278
8.1 Types of goods bought and sold, by gender 292
8.2 Women's commercial and financial tasks by marital status 297
8.3 Gender division of labour in commerce and finance comparing creditors and debtors 299
8.4 Locations of commercial and financial tasks, by gender 308
8.5 Detailed locations of commercial and financial tasks 309
