ACKNOWLEDGMENT

I take this opportunity to express my sincere thanks to the members of the Latin Department of the University of Pennsylvania, and especially to Prof. Roland G. Kent, who has given unstintedly of his time and experience in assisting me with the approach to the problem as well as with its presentation.

To my parents and to those of my friends who have encouraged and helped me in this undertaking, I also desire to record my grateful appreciation.

M. W. H.
