# THE SOCIAL CONSTITUTION

In *The Social Constitution*, Whitney Taylor examines the conditions under which new constitutional rights become meaningful and institutionalized. Taylor introduces the concept of "embedding" constitutional law to clarify how particular visions of law come to take root both socially and legally. Constitutional embedding can occur through legal mobilization, as citizens understand the law in their own way and make legal claims – or choose not to – on the basis of that understanding, and as judges decide whether and how to respond to legal claims. These interactions ultimately construct the content and strength of the constitutional order. Taylor draws on more than a year of fieldwork across Colombia and multiple sources of data, including semi-structured interviews, original surveys, legal documents, and participation observation. This title is part of the Flip it Open Programme and may also be available Open Access. Check our website Cambridge Core for details.

WHITNEY K. TAYLOR is Assistant Professor of Political Science at San Francisco State University. Her research focuses on the intersection of rights, law, and contentious politics.

CAMBRIDGE STUDIES IN LAW AND SOCIETY

Founded in 1997, Cambridge Studies in Law and Society is a hub for leading scholarship in socio-legal studies. Located at the intersection of law, the humanities, and the social sciences, it publishes empirically innovative and theoretically sophisticated work on law's manifestations in everyday life: from discourses to practices, and from institutions to cultures. The series editors have longstanding expertise in the interdisciplinary study of law, and welcome contributions that place legal phenomena in national, comparative, or international perspective. Series authors come from a range of disciplines, including anthropology, history, law, literature, political science, and sociology.

*Series Editors*

Mark Fathi Massoud, *University of California, Santa Cruz*

Jens Meierhenrich, *London School of Economics and Political Science*

Rachel E. Stern, *University of California, Berkeley*
