CAMBRIDGE JOURNALS

Discover the benefits of *WPSJ* on Cambridge Journals Online (CJO)

- Register for content alerts and receive notification when new articles are published online **journals.cambridge.org/wps-alerts**
- Save searches
- Search across Cambridge Books Online (CBO) and Cambridge Journals Online (CJO) simultaneously using our new faceted search functionality
- Register for updates on new developments and sample content from your 'favourite journals'
- Easily download citations to reference management software

Members of WPSA who prefer online access should subscribe through the society website **www.wpsa.com**

CJOmobile (CJOm)

CJOmobile is now available and offers the following functionality:

- CJOm is optimised for smart phones and other small mobile devices. Mobile devices will be detected and automatically directed to CJOmobile
- If users sign up for content alerts, or save searches or articles, they are now available on the main CJO and vice versa
- CJOm offers increased speed and convenience for mobile users
- CJOm also functions as a faster access point for readers in countries with low bandwidth internet access

HEALTHY SOLUTIONS
TOTAL NUTRITION™

INTESTINAL HEALTH ISSUES ARE PREVALENT IN OVER 92.5%** OF FARMS

DON'T BE A STATISTIC.

Beat the odds. Use CLOSTAT™ from Kemin in feed/ration to reduce intestinal health issues. A patented microorganism, CLOSTAT helps in maintaining balanced intestinal health. It has been proven to help chickens develop a natural defense mechanism against profit-killing intestinal health issues.

CLOSTAT doesn't create any antibiotic resistance or residue concerns. Use CLOSTAT to get a good return on investment from your birds.

CLOSTAT: Natural solution, proven results.

LESS FEED, MORE MEAT.

LESS FEED – + MORE MEAT

Hubbard
YOUR CHOICE, OUR COMMITMENT

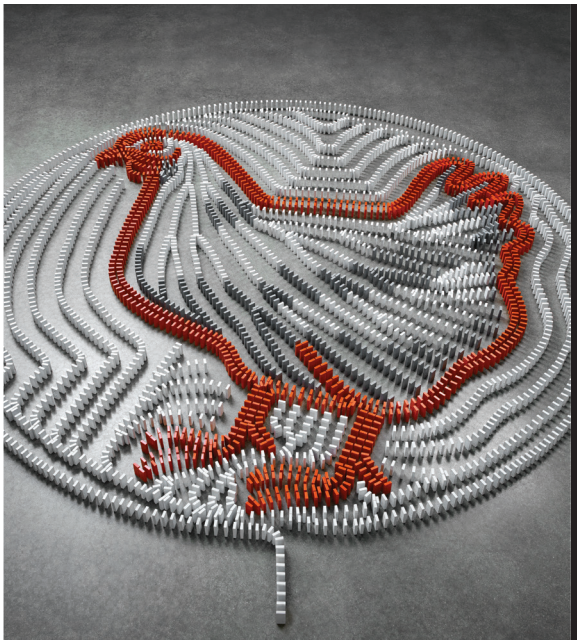

Feed cost represents over 70% of live production cost of a broiler, the highest levels in history. Hubbard offers the best products to save feed costs on breeder and broiler level.

- The "Feedsaver" concept of the JV and F15 breeders saves about 15% of feed to produce a broiler day-old-chick compared to conventional breeders.
- All Hubbard broilers have an excellent FCR compared to other breeds.

Just use less kg of feed to produce 1 kg of live broiler, 1 kg of carcass or 1 kg of total meat !

Hubbard is a company of
GROUPE GRIMAUD
Giving life to Performance

Thinking beyond equipment to deliver improved nutrition and health to your animals.

At Bühler, we understand not only the technology behind producing feed, but also the meaning of feed value for the animal. Our developments are heading towards a significant reduction of feed costs, while at the same time optimizing animal performance, health and welfare. With Bühler's latest developments, the hammer mill Granulex™ for high capacity grinding up to 75 t/h and the pellet mill Kubex™ T saving up to 20 % of energy, you make not only a safe investment into animal health and performance, but also into low production costs. At the end, Bühler pays off – both for animals and feed millers.
