LIBERIAN STUDIES JOURNAL

Svend E. Holsoe and David M. Foley
Editors

A biannual journal oriented toward studies in the social sciences and humanities concerning Africa's oldest republic. Articles of a specialized nature and primary source materials which would ordinarily remain inaccessible to Africanists are emphasized. The journal also provides a clearing house for interim reports on research projects in progress; a "news and notes" section enables scholars to remain current on activities of interest. Two issues of the journal are now available.

Annual Rate - $5.00
