Adrian McKerracher
9780773556331 $24.95 Cloth 224pp

"A genuine pleasure to read, *What It Means to Write* exquisitely employs memoir and nonfiction to ruminate upon the connections between creativity and metaphor. Iconoclasm
The Breaking and Making of Images
Edited by Rachel F. Stapleton and Antonio Viselli
9780773557369 Paper $34.95 256pp

From Milton and Nietzsche to Paul Newman and Banksy, through such diverse media and genres as photography, the popular romance novel, pornography, graffiti, cinema, advertising, and the dictionary, this book questions how icons and iconoclasms are represented, the language used to describe them, and the manner in which objects signify once they are shattered.
