# Acknowledgments

A book like this is the result of the hard work of many. We thank our student line editors, Oceania Eshraghi (lead line editor), Gwen Byrne, Rebekah Ninan, and Carli Sley, for their meticulous work. We are grateful to Laura Chong and Chloe Reichel for their administrative support in organizing the conference that gave rise to this book. We are also grateful for Laura Chong's hard work, shepherding all the many pieces of this manuscript. We thankfully acknowledge the Petrie-Flom Center for Health Law Policy, Biotechnology, and Bioethics at Harvard Law School, with support from the Oswald DeN. Cammann Fund and the Lynde and Harry Bradley Foundation for conference sponsorship. Finally, of course, we thank the contributors for their thoughtful and important scholarly contributions.
