APPLIED PROBABILITY TRUST DONATIONS 2025

The Trustees of the Applied Probability Trust (APT) have much pleasure in publishing the extraordinarily generous members of our community who supported the APT during 2025 through one of our donations routes. The APT has three core routes to donate. These are:

(i) Contributing a one-off donation of any size.

(ii) Setting up a recurring/regular donation of any size and periodicity.

(iii) Leaving a legacy/bequest donation as part of a Will.

Information related to the APT donation routes can be found on the APT webpage here: www.appliedprobability.org/donate.

Donations made to the APT allow us to continue our mission to support the applied probability community. The Trustees are grateful to everyone who has contributed to the APT. The following people donated to the APT during 2025:

One-Off Donation: Edward Allen . . . . . Texas Tech University
