The Tricontinental Revolution

The Tricontinental Revolution provides a major reassessment of the global rise and impact of Tricontinentalism, the militant strand of Third World solidarity that defined the 1960s and 1970s as decades of rebellion. Cold War interventions highlighted the limits of decolonization, prompting a generation of Global South radicals to adopt expansive visions of self-determination. Long associated with Cuba, this anti-imperial worldview stretched far beyond the Caribbean as activists struggled to unite international revolutions around programs of socialism, armed revolt, economic sovereignty, and confrontational diplomacy. Linking independent nations with nonstate movements from North Vietnam through South Africa to New York City, Tricontinentalism encouraged marginalized groups to mount radical challenges to the United States and the inequitable Eurocentric international system. Through eleven expert essays, this volume recenters global political debates on the priorities and ideologies of the Global South, providing a new framework, chronology, and vocabulary for understanding the evolution of anti-colonial and decolonial politics. This title is also available as Open Access on Cambridge Core.

R. Joseph Parrott is Assistant Professor of History at The Ohio State University. He is a historian of diplomacy, transnational activism, and US-Africa relations, with an emphasis on the intersection of decolonization, race, and domestic politics.

Mark Atwood Lawrence is Professor of History at the University of Texas at Austin. He has written extensively on twentieth-century America and especially American foreign relations. His most recent book is *The End of Ambition: The United States and the Third World in the Vietnam Era* (2021).

Cambridge Studies in US Foreign Relations

Edited by

Paul Thomas Chamberlin, *Columbia University*
Lien-Hang T. Nguyen, *Columbia University*

This series showcases cutting-edge scholarship in US foreign relations that employs dynamic new methodological approaches and archives from the colonial era to the present. The series will be guided by the ethos of transnationalism, focusing on the history of American foreign relations in a global context rather than privileging the US as the dominant actor on the world stage.

Also in the Series

Aaron Donaghy, *The Second Cold War: Carter, Reagan, and the Politics of Foreign Policy*
Amanda C. Demmer, *After Saigon's Fall: Refugees and US-Vietnamese Relations, 1975–1995*
