Biiv, whole line: 'Innhaber Weillundt Graff Weickers von Leinigen güter, zü antworten dem von Ripoltzkirch, vnd dem von Oberstein zü Rixingen.' Confusion in the BL copy may stem from this line being split between two pages.

[261]LPL, fo. 18r, 'Hamair'; Wing, 43, 'Hannow'.

[262]LPL, fo. 18r, 'Muntzberge'; Wing, 43, 'Muntzburg'.

NB The numbers for individual people sometimes significantly differ among the English copies, but it appears these differences are simple transcription errors from previous but now missing copies because the totals are usually the same (except in this particular case where a transcription error seems to have occurred). Because of the subsections and previous totals in the printed German text, the totals at VD16, sig. Biiv, are '338' horse and '3108' foot.
