INFORMATION FOR CONTRIBUTORS

LANGUAGE, a journal of the Linguistic Society of America, carries technical articles dealing with problems of linguistic science, reviews of recently published linguistic works, and notes of interest to professional linguists.

MANUSCRIPTS for publication, and exchange JOURNALS, should be sent to the Editor of LANGUAGE (Gregory N. Carlson, 502 Lattimore Hall, University of Rochester, Rochester, NY 14627-0096; language@rochester.edu). BOOKS for review should be sent to the Review Editor of LANGUAGE (Helen Goodluck, Department of Language and Linguistic Science, University of York, Heslington, York, YO10 5DD, United Kingdom; lang525@york.ac.uk). Articles to be considered for publication may be submitted electronically either as an e-mail attachment or on a CD. Authors should send an ANONYMIZED pdf version of the article (with all fonts, figures, etc. embedded), and the source file(s) in Word, .tex, or another common format, to language@rochester.edu. Hardcopy submissions are also welcome and should be sent to the editorial office mailing address. All authors should also send a brief (c. 250-word) abstract to language@rochester.edu. Normally at least one author of any article or review article submitted to LANGUAGE must be a member of the Society.

Manuscript form. Authors of articles submitted to LANGUAGE are not required to follow the LANGUAGE style sheet in preparing their manuscripts for initial submission to LANGUAGE. There is no restriction on the format of manuscripts, although authors should make their submissions as reader-friendly as possible. Any manuscript, however, that has been accepted for publication as an article will have to be revised so as to conform strictly to the LANGUAGE style sheet. For the complete style sheet, see the LANGUAGE web page at http://www.linguisticsociety.org/files/style-sheet.pdf, or write to the editors. Please see the 'Notes to Contributors' on the LANGUAGE website for more information about the submission process (http://www.linguisticsociety.org/lsa-publications/language/notes-to-contributors).

This policy does not apply to book reviews. These are solicited by the Review Editor and they must adhere as closely as possible to the LANGUAGE style sheet on first submission.
