Acknowledgements

This book is indebted to many hands. I am grateful to Alain Pottage, Fiona Macmillan, Brad Sherman, Jose Bellido, and other wondrous ISHTIP colleagues for their support, critique, and reception of the work. For this open-access publication funded by NUS, I thank my encouraging colleagues in the faculty and university. I must also thank Cambridge University Press and everyone whose anonymous labours made it possible.

This book is dedicated to my beloved wife, family, and friends.
