ERRATUM

It is regretted that there was an error in the notice about the Membership Examination and Preliminary Test of the Royal College of Psychiatrists published in the October issue, pp. 459 and 460. The paragraph on p. 460, headed *Preliminary Test*, should read:

> All candidates in possession of a D.P.M. (or a qualification judged to be equivalent thereto by the Court of Electors) and who can show that they have had one year's approved experience in psychiatry may claim exemption from the Preliminary Test provided that they have fulfilled these conditions ***before 16 June 1973*** (*not* 1 February 1973, as stated).
